

Dear Parents & Family of _____:

I will be your child's speech therapist at school this year. I will provide service on these days and times:

I will be happy to speak to you during those times or at:

I will be focusing on these goals from the IEP:

Note: What Parents Should Know About the Speech Therapy:

1. The Speech Therapist's "Input" Goals for the IEP:

To improve attention i.e. orientation to person/place/time

To improve understanding of Causality (cause and effect) and ability to make inferences and predictions about events seen and unseen

To improve pre-reading readiness skills (the beginning of a conceptual framework of ideas and vocabulary regarding how the world works)

2. The Speech Therapist's "Output" Goals for the IEP:

To improve play skills development

To improve expressive communication skills

To improve pragmatic (social functional communication) skills and self regulation skills

To improve articulation (speech clarity) skills

Please feel free to contact me at _____ with any questions or comments! I look forward to tapping into your child's potential and being a partner with you in your child's growth!
